

Coventry Building Society Availability & Performance Statistics

1 April 2025 to 30 June 2025

Here you can find out about the availability and performance of our Online Services, mobile App and our dedicated interface. These are reported and published online quarterly.

This report shows the availability of service via both our Online Services, the App and our dedicated interface.

Where there are zeros for the service response times, it means that the service wasn't used by third party providers.

All together, better

Availability of service: Uptime and downtime

Downtime is the total number of seconds the interface (Online Services, mobile App or dedicated interface) was down in a 24-hour period, starting and ending at midnight.

The percentage of uptime is 100% minus the percentage of downtime.
